

How to Volunteer for Great Lakes HamCon

Description

During our last meeting, volunteering for the Great Lakes HamCon was mentioned. The following is from Larry WB8R:

There are lots of opportunities for volunteers. The committees and their tasks are just now being determined. Don't be concerned if it takes a few more weeks for our task list to be assembled. Things are extremely busy, particularly after Dayton/Xenia as we are occupied chasing commercial vendors.

If the volunteers would send a note to volunteer@glhamcon.org and indicate any particular area of interest or skill, that would help us to match individuals with tasks.

It would be a good idea for our potential volunteers to sign up to receive updates on the www.glhamcon.org website. This is a good way to learn as things happen.
