

June President's Newsletter and Meeting Announcement

Description

Dayton Hamvention

This was the second year for the Dayton Hamvention in Xenia, OH. It did rain, as in the previous year. This brought forth mud, but not as much as in the previous year. The organizers addressed many of the issues last year with the traffic and mud in the Flea Market area. There was well represented with many members stopping by the club table.

Parks on the Air (POTA)

One of the most enthusiastic groups in Dayton were the POTA hams. They exchanged many interesting stories and went away with even more energy to activate parks. As part of this, N8SL activated Island Lake Rec Area
