

## July Informational Meeting – 2022 Field Day

### Description

This SUNDAY, July 10<sup>th</sup>, 2022 at The Witches Hat beginning at 6:30 p.m., we will have our SLAARC July Informational Meeting.

Eric Stoddart (K8ERS) and other members of the Events Committee have agreed to present “Preliminary Results of this year’s Field Day”.

After discussing the low turn-out at our Saturday Morning Monthly Meetings, we have decided to return to having our meetings on the second Sunday of each month at the Witches Hat Depot. The original reason that we temporarily were meeting at the District Library was because of the much larger room that was available there. It was much more conducive to “social distancing” than the Witches Hat. Based on the small number of members that were coming to those meetings, we decided that the same number of people could come to the Witches Hat Depot and still practice “social distancing” ; even if the number of people attending is doubled.

We will also be broadcasting the meeting LIVE via Zoom Meeting for those who cannot attend the meeting in person.

Please contact us for the zoom link.
