Astronomy at the Beach 2023

Description

If you're heading over to the Astronomy at the Beach event, make sure to swing by the South Lyon Area Amateur Radio Club's table.

- What's in store for you?
- •Get a firsthand glimpse of the fascinating world of amateur radio.
- •Watch live demonstrations of satellite communications, a real testament to human ingenuity and passion for exploration.
- •Dive deep into the magic of digital weak signal communication. Experience how amateur operators connect, even under the most challenging conditions.

Whether you're a tech enthusiast, a curious mind, or just someone who wants to experience something new, come say hello! ermark

See you under the stars!

Together— with **Great Lakes Association of Astronomy Clubs**.

More information about the event may be seen at https://www.glaac.org
