

Hello! Welcome to our Club Page....

Description

The South Lyon Area Amateur Radio Club services the communities surrounding South Lyon, Michigan. We are comprised of members interested in building, experimenting, and helping new hams learn to operate.

The best way to contact us is to put a call out on our [repeater](#).

We are always looking for interesting presentations at our monthly meeting. For additional information on how to volunteer to present, please contact the [Club President](#).

Upcoming Organized Events

[Spring Support your Parks](#)

[Announcement: Michigan Parks on the Air Meetup!](#)

Monthly Events and Activities

VE Testing 4th Saturday of each month at the Witch's Hat Depot

[See details about testing](#)

Monthly siren test (March- November)

1pm on the first Saturday of each month. Great way to get into ham radio.
