

Great Lakes HamCon Founding Clubs: Save The Date!

The Great Lakes Amateur Radio Association Founding Member Clubs are invited to attend an informational meeting at Michigan International Speedway (MIS) on Saturday, July 15 from 6:00 PM to 8:00 PM.

The purpose of this gathering of the clubs that are the backbone of the Great Lakes HamCon is twofold:

1. To give our clubs an exclusive, behind the scenes look at the Speedway which will give perspective to the event that is not available otherwise. The idea here is that you “have to see it to believe it!”
2. To give our clubs the opportunity to provide input concerning the planning process and to begin to define our volunteer committees.

There will be an opportunity for members of our club base to indicate their interest in participation or supervising a committee that they are interested in.

Here is a look at our current list of committees:

Parking (Vendors)	Meeting Room #1

Parking (Volunteers)	Meeting Room #3
